

# BIG O

4530

## TECHNICAL DATA

### Product Description and Purpose

**BIG O** is heavy-duty cleaner degreaser that is environmentally safe with **no petroleum-based or chlorine solvents**. It works excellently in solubilizing grease soil as well as most inks, and adhesives. Big O can also be used to clean tools, equipment and parts to remove oil or lubricant residues. It rinses free without leaving film.

### Features/Benefits

Environmentally safe  
Clean Rinsing  
Quickly penetrates and loosen soil

### General Usage Directions

**For Floor treatment:** Apply undiluted product, or pre-dilute with water up to 2oz. per gallon, to soiled area depending on amount of soil. Scrub as necessary with brush or Floor machine. Rinse thoroughly.

**For Greasy Parts and Equipment:** Brush, wipe or spray undiluted product onto solid areas, agitate where necessary. Rinse thoroughly with strong steam of water, preferably high pressure or steam. NOTE: May damage some plastic, rubber, and/or painted surfaces.

Test on an inconspicuous area before general use.

### Physical Properties

Form	Liquid
Color	Clear
Odor	Citrus
Solubility	Forms an emulsion with water
Spec gravity	0.86

### Caution

Combustible Liquid. Keep away from heat, sparks, open flames, and hot surfaces. Keep out of reach of children. Keep container tightly closed when not in use. For industrial use only. Read Safety Data Sheets for more information.
