

# VW-100

6550

## TECHNICAL DATA

### HEAVY DUTY NON-CAUSTIC POWDERED VEHICLE WASH

#### Product Description and Purpose

**VW-100** is a heavy-duty alkaline powder for use in full service and self-service car and truck washing systems. **VW-100** is also very well suited for use through hot or cold water high pressure washers. Its effective surfactant system cuts through and removes dirt and road film while maintaining excellent risibility.

#### Features/Benefits

Concentrated

Economical to Use

#### Surfaces Applicable

Its effective surfactant system cuts through and removes dirt and road film while maintaining excellent risibility.

#### General Usage Directions

**VW-100** may be diluted from 1/3 pound up to 1 pound per gallon to produce a liquid concentrate for further dilution before vehicle application. A starting point dilution of the concentrate @ 64:1 or 2 oz/gallon is recommended. Adjust as required from this starting point.

#### Where Used

**VW-100** is perfect for use in full service and self-service car and truck washing systems. **VW-100** is also very well suited for use through hot or cold water high pressure washers.
