

# TECHNICAL DATA

## Panda Clean Hard Surface Cleaner

### Product Description and Purpose

**Panda Clean** is a safe and easy-to-use industrial cleaner that quickly removes oil residues and stains. It has a patent-pending formulation that enables tough cleaning at a near-neutral pH. **Panda Clean** also contains patented hydrocarbon-degrading microorganisms for stimulating biological degradation of oily residuals as well as initiating biological treatment of rinse water. **Panda Clean** requires only minimal personal protective equipment (PPE) and will not interfere with oil-water separation. **Panda Clean** removes oil quickly and safely, combines patent-pending technology resulting in a solution that is both fast-acting and safe.

### Features/Benefits

- Lower operating costs
- Improve plant efficiency
- Simplified operation
- Concentrated
- Economical to use

### General Usage Directions

**Panda Clean** can be diluted 3 to 1 with water. Shake or mix well before using. Can be sprayed or mopped on to the surface. Scrub to loosen soil and remove excess. Can also be applied with an automatic floor scrubber.

### Physical Properties

Form	Liquid
Color	Opaque
Odor	Slightly fermented

### Caution

Keep out of reach of children. Keep container tightly closed when not in use. Protect from freezing. For industrial use only. Read Safety Data Sheets for more information.
