

TECHNICAL DATA

CK Choke & Carburetor Cleaner

Carburetor & Throttle Body Cleaner

Product Description and Purpose

CK Choke & Carburetor Cleaner uses a high power blasting action plus a special blend of high strength solvents which quickly remove harmful deposits from internal chamber areas. This restores the power, economy, and performance of the combustion engine. It cleans carburetors to bare metal and dissolves gums, varnish, carbon, dirt, and grease instantly with powerful flushing action. Regular use improves overall performance. Improves acceleration and eliminates rough idling and stalling.

Features/Benefits

- Instant Tune Up Formula
- Eliminates Rough Idling
- Improves Acceleration & Gas Mileage
- Oxygen Sensor Safe

General Usage Directions

1. Shake well before using.
2. Turn off engine – remove air cleaner.
3. Spray carburetor and carburetor throat.
4. Start engine and spray inside of carburetor liberally.

Physical Properties

Form	Aerosol
Color	Clear
Odor	Characteristic

Caution

Keep out of reach of children. Keep container tightly closed when not in use. Protect from freezing. Read Safety Data Sheets for more information.
