

TECHNICAL DATA

CK Punch It Engine Degreaser

Product Description and Purpose

CK Punch It is a heavy duty engine degreaser that quickly powers through layers of grease, grime, oil and other harmful deposits. Easily emulsifies with water to rinse away leaving no residue. Excellent for car, mower, marine, and tractor engines solving many rough idle or power loss problems allowing for cooler, more efficient running. Uniquely formulated to easily loosen grease, grime and oil deposits helping engines run cooler and more efficiently with regular use. Easily sprays on and simply rinses off with water.

Features/Benefits

- Rinses with water
- Excellent for Car, Mower, Marine, and Tractor Engines
- Quickly Powers Through Layers of Grease, Grime and Oil
- Increases Engine Efficiency
- Leaves No Residue

General Usage Directions

1. Engine must be off and cool. Cover the distributor, electronic components carburetor, and air intake systems with plastic or foil. Seal PCV valves and vacuum lines so that no water will enter when rinsing. Keep spray away from car paint. If over-spray occurs, rinse well and wipe away immediately.
2. Spray generously on dry engine. Heavy deposits may require some light scrubbing. Allow product to soak for 10-15 minutes.
3. Rinse the engine from top to bottom. Remove all covers and replace any removed parts. Immediately start engine allowing it to idle for 15 minutes to ensure complete drying.

Physical Properties

Form	Aerosol
Color	Clear
Odor	Solvent

Caution

Keep out of reach of children. Keep container tightly closed when not in use. Protect from freezing. For industrial use only. Read Safety Data Sheets for more information.
