

TECHNICAL DATA

CK Red & Redi Grease Gel Lubricant

Product Description and Purpose

CK Red & Redi Grease is a multi-purpose lubricant that provides extra protection under extreme pressures. It maintains constant viscosity over a wide range of temperatures. Sprays like a liquid and sets quickly to a grease. Prevents rust. **CK Red & Redi Grease** holds up under extreme pressures and high shock loads. Temperature range -40°F to +575°F. Resists water and even steam washout.

Features/Benefits

- Wash out resistant
- Sprays on thin to penetrate
- Dries thick to prevent wash out
- Wide Temp Range
- Extreme Pressure Additive

General Usage Directions

1. Shake **CK Red & Redi Grease** can vigorously for one minute after mixing ball begins to rattle.
2. Spray at 8 to 10 inches distance from surface.
3. Liquid will gel almost instantly. Gel dries to grease in several minutes.

Physical Properties

Form	Aerosol
Color	Red Grease
Odor	Characteristic

Caution

Keep out of reach of children. Keep container tightly closed when not in use. Protect from freezing. For industrial use only. Read Safety Data Sheets for more information.
