## CK Shine Premium Furniture Polish

### Product Description and Purpose

**CK Shine** is a carnauba wax, beeswax and lemon oil base cleaner and polish for use on all types of furniture. Restores original luster and forms a protective coating on wood, metal, plastic and vinyl furniture. Quickly removes smudges, fingerprints, grease and stains leaving a fresh lemon fragrance. Retards future soil build-up. Glosses over cracked and scratched finishes. The clean freshness of natural oils leaves a pleasant fragrance every time it is used. The lemon oil restores the look of the natural wood oils which have dried out with age.

### Features/Benefits

- Fortified with Carnauba Wax, Beeswax and Lemon Oil
- Cream Waxed Luster with Each Application
- Cleans, Polishes and Protects

### General Usage Directions

1. Shake **CK Shine** can vigorously for one minute after mixing ball begins to rattle.
2. Hold container so that spray opening is about 6-8 inches from the surface to be polished.  
Apply a light, continuous coating of polish.
3. Do not allow spray to dry; wipe immediately with a soft, clean cloth. Turn cloth over occasionally.
4. For polishing table or chair legs, or for use on small areas: Spray onto clean cloth, then use to polish as you clean.

**ATTENTION:** Do not get spray, mist, or polish on walked-upon surfaces; they could become slippery, especially when wet. Contains natural wax that can clog nozzle if sprayed cold. Only use at room temperature.

### Physical Properties

Form	Aerosol
Color	Clear
Odor	Lemon
pH	8.9
